

Saint Vincent de Paul Pharmacy Board of Directors

David Catanzaro, Pharm.D.
Retrophin Pharmaceuticals
Senior Medical Liaison

David Catanzaro, Pharm.D. works in Medical Affairs at Retrophin, a biopharmaceutical company primarily focused on the treatment of ultra-rare genetic and neurologic disorders. Prior to this, David worked as a Medical Liaison at Actelion Pharmaceuticals and in drug safety at Procter & Gamble. David has been actively involved in pharmacy residency & fellowship programs and was previously the Director of P&G's Pharmacy Student Clerkship Program. David earned his doctor of pharmacy from the University of Cincinnati College of Pharmacy before completing a community residency at The Ohio State University. David has been an active member of the American Pharmacists Association and has provided immunization training to pharmacists on behalf of the Ohio Pharmacists Association. David joined the SVDP Charitable Pharmacy Board in 2011. David has been active in helping to organize the SVDP Annual Golf Outing and periodically volunteers in the charitable pharmacy.

David is a native of Cincinnati and currently lives in Maineville, OH with his wife Marie who works at Mars, Incorporated Global Petcare Company. The couple have 2 dogs (Henry & Charlie) and enjoy volunteering with SPCA Cincinnati.
