

Saint Vincent de Paul Pharmacy Board of Directors

R. Todd Szewc

R. Todd Szewc is former Chief Financial Officer and Vice President of Administration at KeySource Medical, Inc. He received his Bachelor of Science degree from Ball State University and his Master of Business Administration from Indiana Wesleyan University. After working as a controller in the real estate and construction industry and as a consultant in the information technology industry, Todd took his unique skill set to the rapidly growing healthcare and pharmaceutical arena. He currently serves on the board of directors for Healthcare Distribution Management Association, a trade and lobbying organization for the Pharmaceutical industry. He was a finalist for CFO of the year, sponsored by the Cincinnati Business Courier and has been recognized as KeySource Medical's employee of the year.

He currently resides in Cincinnati with his wife Megan, their two kids, Nicholas and Alexander, with a third one on the way. He enjoys watching sports, rooting on his beloved Cincinnati Bengals and Reds and spending time with his family and friends.
